

Aberdeen Harbour

Aberdeen Harbour Code of Safe Practice

Maximum speed limit 15 mph

Never use mobile comms when driving, operating plant or machinery

Keep 1m quay edge 'clear zone' free from vehicles, cargo and operations

Traffic must avoid travelling through operational work areas

Consider present and forecast weather conditions

Keep your work area tidy

Assess risks, plan work and always use safe working practices

Operational areas must be controlled

Walkways and pavements should be used and must be kept clear

PPE, hard hat, hi-vis and safety footwear must be worn

Wear buoyancy aids working within the 1m 'clear zone' and near water

Always use a safe means of access to board vessels

Please contact the Dock Control Officers if you have any queries, wish to report an incident or witness an unsafe working practice.

Tel +44 (0) 1224 597000

You can alternatively email a safety related issue to safety@aberdeen-harbour.co.uk

Health and Safety is YOUR responsibility

**Pass our code on to all Staff, Contractors, Sub-contractors,
Services and Visitors who use our port.**
